EDUCATION

Degree in Information Technology Engineering

Syrian Virtual University

04/2021 - 04/2027 Damascus
• Degree in Information Technology Engineering

SUMMARY

I am a passionate front-end developer with a specialization in React.js, currently studying Information Engineering Technology at the Syrian Virtual University. My expertise in project development is highlighted by my significant contribution to an automated exam platform. I excel in optimizing processes, enhancing efficiency, and ensuring precision through collaborative teamwork. I am dedicated to ongoing learning in technologies such as Bootstrap, React JS, Redux, and C#. I have a proven track record of tackling projects with creativity and innovation, consistently delivering solutions of the highest quality
